

**MAINE SCHOOL ADMINISTRATIVE DISTRICT #53
Burnham – Detroit – Pittsfield**

Insurance Management

The Board has the responsibility to maintain an adequate insurance program to protect the property of the district against fire, vandalism, and theft; to protect the Board members and employees against general liability resulting from the discharge of their duties; and to offer protection against injury for all employees while acting in behalf of the school.

The responsibility of administering the total insurance program is delegated to the Superintendent and changes or modifications in insurance coverage will require board approval.
